

Group work of break-away session on Institutionalization

1. Attract private sector for funding, resources and building partnerships, keep true to own resolve
2. Budget from ATIs (external funding will end at some time)
3. Look at each COLA and find a home for them within the CRP pillars
4. Further engagement with Dutch partners in terms of collaboration and support
5. Existing structures to steer continuation of COLAs such as PEATFAFF forum
6. Institutionalized results within current functions/work at ATIs and Provincial departments
7. Regular monitoring sessions of TACATI within CRP
8. Effort to be made to capacitate ATI staff and management on the implementation of the TACATI project
9. TOR to be developed and implemented regarding the participation of all ATIs
10. ATIs to assist in planning and implement business plans for rural development
11. DAFF must continue coordinating
12. Every quarter ATIs to report on implementation and progress of COLAs
13. Communicate to relevant platforms i.e. farmers days, conferences etc.
